Dear Ms. Cavano:

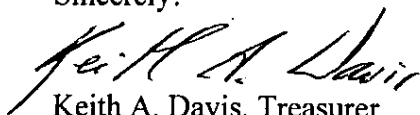

Alexander for Senate 2014, Inc. (FEC ID# C00383745) is in receipt of your Request for Additional Information dated August 15, 2013, with respect to our 2013 second quarter FEC report.

We are filing the attached amendment to this report which corrects the FEC ID number for the National Federation of Independent Business/Save America's Free Enterprise Trust PAC (page 344), and deletes the incorrect FEC ID number for the Sycuan Band of the Kumeyaay Nation (page 392). In addition, the amendment reflects (on pages 354, 361, 390, and 398) that the donations originally reported from the Independent Association of Continental Pilots Political Action Committee (IACP PAC) were actually contributions from the International Academy of Compounding Pharmacists PAC (FEC ID# C00424143).

With respect to the donations listed in the attachment from Committee to Elect Amy Weinrich, Friends of University of Memphis PAC, John Montgomery for State Representative PAC, and Massey for Senate, we have as you letter requested confirmed that these donors used permissible funds to make these contributions, and none of these donations exceeds the \$ 1,000 threshold that would trigger registration with the Commission as a political committee.

We have also confirmed that the donation from the Concerned Executives for Healthcare was from permissible funds, and have issued a refund for \$ 2,000 to this donor. This refund will be itemized on our third quarter FEC report.

Sincerely:

Keith A. Davis, Treasurer
Alexander for Senate 2014, Inc.
